

WORLD WATER DAY – 2021

By IEI PUDUCHERRY STATE CENTRE

The World Water Day - 2021 was celebrated on 22nd March 2021 on the theme, “**VALUING WATER**” at **Puducherry Technological University – PTU** - for all the students of PEC under the aegis of The Institution of Engineers (India), IE (I), Puducherry State Centre - PEC-Civil Engineering Students’ Chapter, Civil Engineering Department . The aim of the day was to create awareness on the need and conservation of water. Various events, viz., slogan writing, essay competition, paper presentation, Elocution were conducted with the active participation of students to glorify the theme of the Day. Prof. S. Kothandaraman, Principal, PTU, presided over the function sharing the global importance and the need of the hour for Water conservation. The Chief Guest of the Day, Dr R. Sivacoumar, Senior Principal Scientist, National Environmental Engineering Research Institute (NEERI), Chennai delivered the special lecture on the theme Valuing water for the students with the interaction of the students. Planting of Saplings of medicinal importance inside the campus and distribution of Prizes encouraged the students and scholars. Dr.R. Saravanane, Chairman, IEI Puducherry welcomed the participants , Dr B Radjaram, Honorary Secretary, IEI Puducherry State Centre felicitated highlighting the details of Institution of Engineers, its activities, importance of it for Engg fraternity, programs conducted etc.
