IEI NEWS

To give real service, you must add something which cannot be bought or measured with money. - Mokshagundam Visvesvaraya

FROM CHAIRMAN'S DESK

As a Chairman of IEI-PSC, I take a privilege to inform that IEI is enabling and refining young and dynamic minds with desirable human values merged with the state of art technology in the ever challenging and refine domain of engineering science. IEI actively conduct numerous events with intellectually skilled & socially responsible sessions, seminars, discussions and case studies promisingly reinforce the overall knowledge and skills of the young engineers present in the IEI. Our sincere endeavour shall be to group Engineers in various branches and convert them into suitable trained human materials with higher orbits in overturned society. I invite all the young and dynamic Engineers to be a part of the premier board and gain from our state of the art services and training method which helps to strengthen the great career of Engineering.

FROM HONORARY SECRETARY'S DESK

Dear Engineers,
Firstly, I would extend my good wishes to your family personally and on behalf the IEI-PSC. Our IEI-PSC is organizing various technical activities in the Engineering Institutions spread over the Union Territory of Puducherry with the overwhelmed support of Chairman of our Committee, We would able to conduct many seminars, technical talks, workshops etc., to the budding Engineers of U.T. of Puducherry. During our activities, we tried to provide awareness about the student centred activities of IEI such as memberships, poster presentations, project funding etc., also it is our prime responsibility to join new members in IEI. I congratulate and thank to our Institutional supporters for the cooperation rendered to our activities. We are striving hard to organize more technical activities in the coming months. Your active participation is solicited.
